Dear Mr. Casey:

Could you speak to the Harvard University Alumni Association, Harvard - Radcliffe Club of Palm Springs, on either the first Tuesday of November, Nov. 2, or the First Tuesday of December, Dec. 7 at a banquet at the Racquet Club of Palm Springs, 2743 No. Indian Ave., Palm Springs?

STAT

We have 114 Harvard University alumni from this area, and we usually invite the members of the Desert Press Club, and the attorneys of the Desert Bar Association.

The Director of the Associated Harvard Alumni Harvard Clubs, is Stephen Whisnant, [redacted] The owner of the Racquet Club of Palm Springs, who also owns the Hotel Del Coronado, San Diego, is Larry Lawrence, who resides at the Hotel. The Club has a VIP membership from all over the nation.

Enclosed is a copy of the flyer that went out to the above-mentioned people including the little white card listing the speaker and his subject. The times will be the same with a Meet the Press at 6:45 p.m. We would like 50 words about yourself and subject for the flyer.

If you are able to speak, we would appreciate it if your PR person would take care of the press releases (including photos of yourself to at least the six indicated in our list attached) to the media of California plus the national wire services as we have alumni that come from distances having homes also in other parts of the nation; either on our letterhead (copy enclosed) using our envelopes, or on your own. The small weekly newspapers of our area need at least 2 1/2 to 3 weeks lead time.

We would appreciate a prompt reply.

Sincerely,

George Yahn M.D.
George Yahn, M.D.
